What's Unique About Camp...

- Camp Freedom utilizes a dining hall
- Camp Liberty provides patrol cooking.
- For your swimming experience we have beautiful Lake Courage (no pool).
- Units are expected to be involved in activities throughout their stay, so please plan on assisting with campwide duties such as flag ceremonies, manning swim towers on the Waterfront, cleaning the shower building and maintaining a respectable campsite.
- First year Scouts should attend Braddock's Brigade classes to work on skills for rank advancements.
- Scouts who aren't First Class should sign up for Braddock's Brigade and merit badges.
- All Scouts should be given their own copy of their advancement schedules.
- Leaders should make sure that each Scout has chosen programs according to their interests and ability.
- All Scouts taking merit badges should have their blue cards filled out and signed by an adult leader before arriving at camp.
- All Scouts should be made aware of their prerequisites
- All Scouts should read the merit badge pamphlet(s) before coming to camp.

Scouts may also come to the area during open program to work on individual requirements.

Eagle Base Programs

Eagle Base offers merit badges for older Scouts looking for more of a challenge. Scouts participating in the Day Trek program should sign up through Eagle Base.

Ecology-Conservation

Newly built nature centers serve as the center of the Eco-Con areas in each camp, offering a wide range of badges to the Scouts of Camp Freedom and Camp Liberty. Scouts are welcomed to come down and check out the research libraries as well as the zoos and aquariums kept each summer.

Field Sports

Archery and Rifle Shooting merit badges are offered at Field Sports, as well as the chance to participate in open shoots each day.

Handicraft welcomes Scouts to their pavillions to work on crafts and other projects, as well as being a workshop for adults and Scouts of all ages throughout the week.
